Welcome

How to Join HPREC

Enjoy the company of fellow HP and Agilent retirees. Participate in the Bay Area Club's many exciting social activities and trips, even if you live outside the Bay Area. Or just sit back and stay in touch with former colleagues via our bi-monthly newsletter that includes Web site updates and pertinent company retiree benefit news. Membership is open to HP and/or Agilent retirees (we have members in 33 states and 2 countries) and requires a small annual membership fee, which is currently \$10.

Membership Eligibility

Any former HP or Agilent employee (including a former employee of an HP or Agilent acquisition who joins HP or Agilent and then retires or leaves HP or Agilent) is qualified for membership after satisfying at least one of the following conditions:

1. must have received at least ten (10) years of HP and/or Agilent service credit;
2. is presently on permanent disability and was working at HP and/or Agilent at the time of his or her disability;
3. retired at age sixty (60) years or older without completing ten (10) years at HP and/or Agilent; or
4. is the surviving spouse or partner of a member in good standing at the time of such member's death.

If you have a circumstance not covered above, you can apply to the HPREC Board of Directors for membership consideration.

**To request an enrollment form,
go to our membership Web site at**

<http://www.hpretirees.com/hprec/membership.htm>

**or send an e-mail request to John Weidert at
john_weidert@scualum.com**

Crowne Plaza/Cabana Hotel, Palo Alto

Volunteer Projects

Take part in some fun volunteer projects by joining fellow retirees to help make a difference in your community. If you can spare an hour, a day, or more, then our volunteer group, HP/Agilent Retiree Volunteers (HPARV), is just for you. Experience new challenges, work with fellow retirees, make new friends and share the pride of accomplishment and giving.

Done-in-a-Day Projects:

Throughout the year, HPARV sponsors special projects that only take a day of your time or just several hours. These "Done-in-a-Day" projects only require a one-time commitment and are perfect for people who can't commit time on an ongoing basis. Some examples of organizations where we've done a volunteer project include: Second Harvest Food Bank, Family Giving Tree, Job Train and the Silicon Valley Science Fair. Watch for information about these projects in the newsletter.

There is a volunteer opportunity for everyone no matter how much or how little time you have to offer. All you have to do is e-mail us or call us to get more information:

Phone: (650) 857-2410. Please leave a message, and a volunteer will return your call.

E-mail: hp_agilent_rv@yahoo.com
