Martha's Message

**Martha Maris,
HPREC President**

I very much enjoyed seeing so many of you at our HPREC Picnic on June 6, and it seems like all of you also appreciated this chance to get together with friends and former colleagues. Over 300 people gathered in the very pleasant setting of the Redwood Grove at the HP Cupertino site for a most relaxing day. I saw lots of groups gathered together to catch up and even spotted a team of former HP telephone operators who use this summer gathering as their annual reunion. They were still there visiting when I left late in the afternoon.

That's really what HPEC is all about – keeping you connected with each other, as well as our former companies and the community. The picnic is one of the three large, all-club events we plan each year to get as many of you together as possible. We still have the Annual Holiday Lunch to look forward to on Monday, December 7, and next year's Spring Fling will be here before we know it.

The picnic was a wonderful success thanks to the efforts of so many of you who pitched in to help as you do each year. We really appreciate your work, and Picnic Chairperson **Harold Kaye** thanks you personally in his article inside this issue. Of course, we especially want to thank Harold for the fine work that he did in the overall coordination of the picnic. Harold, you pulled off another excellent event!

Upcoming Activities

As always, the Travel Committee has a lot of interesting local trips and tours planned for you as well as a cruise this fall and next winter. Check flyers in this issue for more information on a trip to San Francisco to see "South Pacific" preceded by dinner; encore tours of the

Pony Tracks Ranch; and a day trip with lunch to the Santa Cruz Follies 2009 in September. And, of course, we have our usual ongoing activities including golf, hiking, bowling and bridge.

Community Volunteer Projects

Our Volunteer Steering Committee has several projects coming up this summer so be sure to join them for a chance to make a difference in the community and only commit yourself for just a couple of hours. There will be a project at RAFT (Resource Area for Teaching) in Sunnyvale where you will put science kits together for students and also our annual backpack project with the Family Giving Tree. See more information in this issue as well as photos and a report on a recent project at the Marine Science Institute where volunteers judged children's poetry and drawings.

Board Update

Board member **Judy Coleman** has resigned from her position as a Director, and I want to thank her for her two and one-half years of service. During that time, Judy was a very valuable board member and the organizer of many successful and fun events and activities such as the day at the races, trips to Filoli and Roaring Camp, plus bingo at our picnic for the last two years. Happily, Judy will remain on our Travel Committee.

The HPREC Bylaws have been successfully reviewed and revisions approved by the Board. However, you will be asked to vote on one of the amendments, so please see Bylaws Committee Chair **Pat Capshaw's** article inside this edition for complete details.

Finally...

Don't forget our club membership drive! Keep referring new people so we can include them in our club activities. When someone joins and you are the referring member, your name will go in the "hat" for a gift certificate drawing at the Holiday Lunch in December.

If you have questions or suggestions, please contact me at mmaris@sbcglobal.net or (650) 965-4964.

Great Picnic – Thanks to Volunteers

by Harold Kaye

Chairperson, HPREC Picnic 2009

From all reports, everyone enjoyed the HPREC annual picnic on June 6 at the HP Cupertino site. The weather was perfect, the food good, and everyone had fun visiting and catching up with former colleagues. The success of the picnic is only possible through the efforts of a huge team of volunteers, and I would like to personally thank everyone who pitched in to help me this year.

A hearty round of applause goes to the following people:

Pony Tracks Tours on May 12 & 13

by Pat Fausett with photos by Pat Fausett and Vera Robertson

On two consecutive days, 25 HPREC military buffs converged on the late Jacques Littlefield's Military Vehicle Museum in Portola Valley.

Jacques was an HP

employee until he retired to fulfill his dream of repairing and owning a private collection of military vehicles. He passed away this past January, but his legacy lives on and is now totally funded by donations to the Military Vehicle Technology

Foundation, led by another HP retiree, Bill Boller. On both days, Bill was gracious enough to meet us to renew friendships with fellow HP and Agilent retirees.

Bill Boller

The tours were led by a delightful gentleman, Michael Green. His knowledge of the vehicles, weaponry, models, etc. was awesome and enlightening. By the end of day two, Michael was almost whispering, as his voice was clearly weary with all the talking he did, both informing us of bits of history, as well as answering all our questions.

Herbert Knoesel with Mike Green

So many of the men on the tour were having a ball reliving their childhood of playing with "army stuff", as well as remembering their time in the service of our country.

Rich Fausett saw two vehicles that he actually drove in Germany in the 1950's; a personnel carrier and a M48A2 tank. (See photo)

Rich Fausett with "his tank"

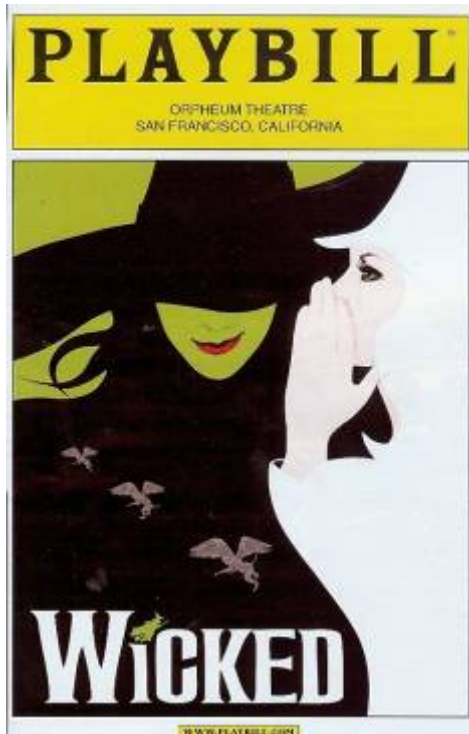

The collection is spectacular, and even the ladies had a wonderful time learning and seeing so many of the "war" vehicles that we have read about in our history books. The two hours slipped into almost three, and we all felt this was an exceptional visit to an exceptional place.

We had so many people on the waiting-list for these tours that we have arranged for three additional tours on July 28, 29, and 30. Please look at the flyer on page 19 in this edition of the newsletter and sign up early.

Wicked

by Barbara Trone

What a wonderful evening! Everyone arrived at the HP Cupertino site on time and we left at 4:00 p.m. Our bus driver, Eric, drove us up to San Francisco Chinatown. We had 5:30 p.m. reservations at the Cathy House. We were early

but the Cathy House seated us after a short wait. Fran Low had arranged a delicious meal with a wide variety of dishes. We were seated at tables for ten and we made new friends.

The weather was beautiful in the City by the Bay. After dinner we had 30-45 minutes before we boarded the bus for the theatre. Many of us decided to walk down the street and visit some of the shops. We saw many beautiful items; jade in all colors, colorful crystal chandeliers, a carved elephant tusk, and traditional Asia style clothing. A few of the ladies went to a fortune cookie factory and purchased some to take home.

At 7:00 p.m. we boarded the bus for the ride to the Orpheum Theatre. The musical "Wicked" had an amazing cast with amazing voices. We were fortunate to see Patty Duke perform the Madame Morrible role. The sets and costumes were creative and well done. The musical received a standing ovation.

It was nearly 11:00 p.m. when we boarded the bus to return home. Pat Fausett had a cookie treat for us to enjoy during the ride home. A fun evening for all!

MEMBERSHIP DRIVE

by John Weidert, Membership Chair

Thanks to all for your help in increasing our membership numbers. We have seen a slight uptick in our numbers. We continue to need your support in bringing in even more members.

To help all of us in our recruiting efforts, we have prepared an **INFORMATIVE BROCHURE** highlighting the key activities and benefits that come along with being a member of HPREC. This brochure is available on the www.hp.com/retiree Web site. Click on Worldwide Retiree Clubs, Bay Area, and then click the item "HPREC Brochure" under Club Information to access the tri-fold brochure. Please print out some copies and give them to your HP or Agilent retiree friends. Or, if you would like hardcopies sent to you, send an e-mail to our HPREC Membership Chair **John Weidert** at: john_weidert@scualum.com

As mentioned in the last issue, HPREC will be offering two \$50.00 gift certificates to be awarded at the HPREC Holiday Lunch on

December 7, 2009. Here's how you can qualify for the drawing. Each person you encourage to join HPREC (with dues paid) will put your name in the drawing pool. Bring in more than one member, and you will have your name added to the pool an additional time. Bring in

three new paid members and get three chances to win! There is no limit to how many paid members you can bring in and increase your chances of winning a certificate. We encourage entrants to attend the luncheon, but you are not required to be present to win.

All entries from November 1, 2008 to October 31, 2009 (our fiscal year), are eligible. New members should write your name on their enrollment form for you to qualify. (If you have already referred new members who have joined and paid this year, just let John Weidert know.) All members of the club are eligible to win (except the Membership Chair). One winning certificate per member.

So, let's continue our recruiting binge and increase our membership level! You will be doing the new member and the club a real favor.

If you have questions or comments, please send an e-mail to **John Weidert** at: john_weidert@scualum.com

Edgewood County Park & Nature

Preserve

by John McCabe

May's hike at Edgewood County Park and Nature Preserve, although it was a relatively short walk (about 3 miles), had something for everyone. There were lovely shady trails along steep canyons, sunny grassy hillsides with a wide variety of wildflowers (not to mention butterflies), hilltops covered with live oaks and buckeyes, and great views of the San Francisco Bay.

Among the flowers we saw were Blue Dick Lily, Blue Eyed Grass, Sticky Monkey Flower, Scarlet Pimpernel, Purple Sanicle, Owl's Clover, Hill Morning Glory, Indian Warrior, Lupine, California Poppy, Yellow Mariposa Lily, California Buttercup, Ithuriel's Spear, Clarkia "Farewell to Spring", Tidy Tips, White Linanthus, Bed Straw, Maiden Hair Fern (no, that's not a flower, but it is pretty), and White Globe Lily ("Fairy Lantern")

Back row left to right: Dee Baily, Chris Simonson, John Kwan, Marcia Adams, Martha Maris, Stan McCarthy, Blenda Mariani, Nancy Clothier and Jim Holl
Front row left to right: Jade Simonson and Barbara Beebe

Edgewood County Park and Nature Preserve is easily accessed. It is one mile east from Highway 280 on Edgewood Road.

Berkeley Campus Tour

by Jim Holl with photos by Janet Holl

Fourteen curious hikers used BART to reach Berkeley and tour the University of California campus. Tour guides and Cal alums Jim and Janet Holl led the mostly Stanford crowd gently through the East Bay Campus.

Though the hiking group normally chooses hiking venues that feature natural settings and this campus features two branches of Strawberry Creek and numerous large trees from throughout the world, the focus of this tour was public buildings used for various forms of entertainment, famous campus sites, and little known sites.

The group picture was taken at Sather Gate built in 1910 at the end of Telegraph Avenue. It is now near the middle of the campus.

Pictured (L-R) Ted and Marcia Adams, Ed White, Chuck Sieloff, Martha Maris, Nancy Clothier, Marty Bollman, Susan Eesley, Blenda Mariani, Janis Andrews, Jim Holl, Pat Wilcox and Hal Eubanks

We discovered that Ludwig's Fountain in Sproul Plaza was named after a dog, that the parking places reserved for those with NL parking permits are reserved for Nobel Laureates, and that there is indeed a mine shaft running into the hill toward the Hayward Fault near the Hearst Mining Building.

After lunch in Faculty Glade, Jim suggested that a few of the Stanford fans in the group give us a summary of

what the statue of Lynn O. (Pappy) Waldorf displayed on the clipboard that the famous coach was holding. Those who took a look (including Ted and Marcia Adams, pictured) reported that his ten year span of leading the local football team was not a good period for the team from Palo Alto.

The group was interested in the recent tree sitters' location, which is now a construction zone for the Student-Athlete High Performance Center next to Memorial Stadium.

Jim and Janet showed the group some notable housing on the north side of the campus. This included the University House (home of Chancellor Birgeneau) and Tellefsen Hall (where many members of the Cal Band live).

Mark Hurd's Meeting with Retirees

The day before the editor's deadline, our event with Mark Hurd was formally submitted to his office for scheduling, but the date was not communicated to me in time to make this publication. I stood on my head to get the date in time; it didn't work.

Part of the delay has been due to the economy, the challenge of taking some of the cost out of the event, which has grown in interest over the last few years with live simulcast to multiple sites across the U.S. and invitations mailed to thousands of homes through the postal service, many being returned every year as having outdated addresses. These costs are surprisingly high.

Here's what I understand:

- It's still being planned for late Sept. or early October.
- It will be held at HP headquarters in Palo Alto. Several guest speakers will join Mark (Labs/Innovation/ Environ).
- You will need to register. If it's held in the A-level Auditorium, seating will be on a first-come, first-served basis, with overflow in the Atrium next to the Auditorium over the approx. capacity of 300.
- You will NOT receive a formal invitation in the mail.
- HPREC will be communicating the registration process via:
 - 1) the September HPREC newsletter and
 - 2) an e-mail to all club members who have opted to receive periodic messages from me.
- HP will also send an e-mail to retirees notifying us when the registration process becomes available.
- Agilent retirees who had worked at HP prior to the split may also register as in the past few years.

If you have not yet done so, we encourage you to "opt-in" to our HPREC E-mail Online Directory so you can receive an e-mail with details of the event when they become available from HP. Share this information with your non-club member friends. Encourage them to join the club, so they stay connected.

As the date draws nearer, there will be registration information on the www.hp.com/retiree Web site.

Note: When the economy began to sour, our Board discussed and communicated to HP that we would understand if they chose to NOT have the event in 2009. They appreciated the gesture, but said that Mark is still committed to meeting with us, just less expensively for now. Thank you, Mark.

Retiree Web Site Navigation Tips

Bookmark these HP hosted Web sites to give you quick access to valuable and helpful information.

www.hp.com/retiree is the homepage for valuable information for HP and Agilent retirees.

For secure areas: User name: **hpway** and password: **toplay**

Here's what's available:

- Company news, Announcements, and Contact Information
- Benefits updates
**Anyone becoming eligible for Medicare soon? In March 2009, HP posted a "Medicare and You" FLASH presentation on the retiree home page. It was developed to assist us in better understanding insurance transition issues and tips associated with the impact of turning 65.*

- Discounts on HP products (EPP)
- HP Gear (w/retiree logo)
*Note: My apologies to those who were counting on purchasing some HP gear at the June 6 picnic. The strategy changed after the newsletter went to the printer. All items with the beautiful HP Retiree logo are available for purchase. If you use a computer, go to the retiree Web site. Click on **HP Gear** on the home page. If you do not use a computer, call Customer Service at 1-(800) 316-5411 between the hours of 7:00 a.m. to 7:30 p.m. (CST). Same username and password as in column one.*

- Discount Programs - **U.S. wide** – look for an "**R**" next to the vendor name for discounts that retirees are also eligible for:
 - Automotive
 - Communications (cell phone service)
 - Computer/Electronics
 - Entertainment/Travel
 - Financial Services
 - Health/Fitness/Beauty
 - Home/Garden
 - Books/Music/Flowers/Gifts

*You need to be a "designated retiree" from HP to be eligible for these benefits, but there is **no** formal verification made. If you can provide sufficient proof to the company offering the discount, we suggest you try. Designated retiree usually means 55 or older and 15 yrs or more when retired from HP.*

- Other helpful services from the home page:
 - Addison Avenue Federal Credit Union
 - HP Alumni Association (online networking, HP exit processes and tools, HP History, and more...not affiliated with our HPREC retiree club)

www.bayarea.hpway.org is on an external server hosted by HP that provides **primarily Bay Area** information on vendor merchandise and services, plus entertainment and activities negotiated for HP employees and retirees.

Examples of available discounts:

- AMC/Century/Cinemark movie passes
- Gilroy Gardens
- HP Pavilion discounts, See's candy, amusement parks, etc.

Many of these HP offered retiree discounts are available to: 1) club members even if you didn't meet designated retiree status at HP or 2) are not a club member but did reach designated retiree status according to HP.

*To purchase these discounted items above, go to the **HP Employee Store** on the HP Cupertino Site:*

HP Digital Oasis Photo Center in Bldg 20

In May's club newsletter, I shared a new benefit for retirees that HP is making available to those of us who live in the Bay Area. I promised some details on WHEN and HOW you can visit the Center. Please abide by these entrance guidelines as well as the monthly quantity maximums in order to keep the traffic in the Center moving smoothly and so we don't lose the privilege.

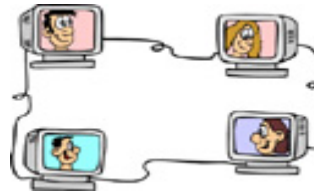

WHEN: Daily, between the hours of 9:00 - 11:30 a.m. and between 1:30-3:30 p.m. These are the quieter hours when employees are not visiting the Center.

HOW: If you have an HP gold badge or gold picture badge, you may park in Level C employee parking and knock on the external glass door of the Digital Oasis Center. It's located on the NW/Page Mill Road side of the building, **near the words "Level C" on the map below.** (Cafe is located at the back of Level C.) Knock on the glass door, show your HP ID, and Fran, the onsite Center manager, will open the door for you to gain access to the Center only. You will not be able to roam other parts of the building. Look back at your May issue to see the quantity of FREE pictures, posters, calendars, gift cards, etc. you can print for your use or gifts. It's very cool!

QUESTIONS: Contact Frances Jacobs, HP Digital Oasis Manager, at fjacobs@hp.com or call (650) 857-5954 if you wish to before arriving. Let her know you saw the article in the HPREC newsletter. She has approved this article.

HPREC Online E-mail Directory Update

Increasing numbers of club members are choosing to opt-in to our self-maintaining online E-mail Directory that we launched in the summer of 2008. With this article, we hope even more of you will add your e-mail addresses and select your Member Options.

We have recently increased the security of the e-mail directory. You will now see, when you join, that your e-mail address is partially camouflaged. For example, an e-mail address now shows in the directory as:

Smith, Jane *****@aol.com

You can click on the e-mail address and send that person a message. Once it's received, they will reply back, and you will then be able to see their entire e-mail address. This was done to eliminate the possibility of someone hacking in and harvesting our entire list in one sweep.

Follow this process to initially sign up and select your Member Options; you may also change your Member Options at any time.

Go to www.hp.com/retiree, click on Worldwide Retiree Clubs, click on Bay Area, click on Retiree E-mail Directory, follow the improved instructions. *Once you add your e-mail address, your membership will be quickly and automatically confirmed, and you will receive an e-mail with access information to complete the process of choosing your options.*

Be sure to select the Member Options (#7-9 on the web page) that work best for you.

The Member Options allow you to choose to:

- #7 - stop receiving your paper version of the newsletter in the U.S. Mail and review it online in full color in new one-column format
- #8 - receive an e-mail notification each time a new newsletter has been posted to the Web site (whether you receive a paper version of the newsletter or not)
- #9 - receive periodic e-mails from us (maybe one message/month or two, usually from me) with pertinent club-related news. **The next e-mail will probably be about the Mark Hurd event details.**

Thanks to those of you who have opted-in to our E-mail Directory. More thanks for completing your Member Options. Over 15 more of you chose last month to not receive a paper newsletter but to read it online in its new one-column format instead. This helps us keep costs down, which further supports our efforts to reduce costs to you.

Contact me at carol_nakamoto@hotmail.com if you have forgotten the user name and password to gain access to the online e-mail directory ... it is **NOT** the same as for other HP secured areas, and we will not display it in the newsletter. If you want help with the process, let me know that too. *Once you know the access information, please jot it down somewhere.*

Sympathy

by Herbert Knoesel

Barbara Johnstone, wife of HPREC member Dave Johnstone, passed away May 5, 2009 at the age of 80 in Boise, ID. By the early 1950's Barb was working as one of the early employees of Hewlett Packard, a job she kept until her retirement as a "housemother" in 1977. She served in an enormous capacity by ensuring the health and well-being of the many employees in her division. She met her husband David while working at HP, and the two married in 1963. Barb and her family moved to Idaho in 1979, where she quickly embraced all that Idaho had to offer. Barb is survived by her husband of forty-five years, David Johnstone, her sons, Tim and Mark Johnstone of Boise, and step-children David Johnstone, Denise Johnson and Donna Gedecke of California, and Dale Johnstone of Nevada. She is also survived by her brother William Hixon of Boise, her nephew Doug Hixon of Boise and niece Kathy Ferguson of Nevada. (*Idaho Statesman*)

Carl W. Anderson, 75, passed away on May 21, 2009. He graduated from the University of South Dakota in 1957 and was an Army first lieutenant and National Guard captain before his 32-year career with HP. His interest in electronics, facility with words, and ongoing curiosity about people and places led him to marketing posts in the US and in Europe. He and his wife, Anne, toured 47 countries in their 50 years of marriage. Carl is survived by wife Anne of Palo Alto, daughter Cathy (David Goering) of Newton, KS, son Michael of Menlo Park, CA, and half-siblings Charles Anderson of Leawood, KS, Judi Woodruff of Seminole, FL, and Kathi Conley (Doyal) of Gainesville, GA. (*Mercury News and Palo Alto Weekly*)

Frances M. Martin, 82, wife of HPREC member Nick Martin, passed away June 2, 2009. She is survived by her

husband of 59 years, Nick Martin; two children, Niki Martin and Carmen Valles; son-in law, Jose Mari Valles; two grandchildren, Jenelle and Nick Valles; sister Ernestine Blaylock and numerous nieces and nephews. (*Mercury News*)

Other Former HP Employees

Keith Gordon Leslie, 74, entered eternal life on April 30, 2009 in Sun City West, AZ. He was educated in Montreal, later becoming a design engineer at HP in Palo Alto. Keith is survived by his wife of 45 years, Vivian H. Leslie; his brothers Brian Leslie of Phoenix, Ross Leslie of Montreal, Charles Leslie of CA, Erna Leslie Macfarlane of Montreal and numerous nieces and nephews. (*Mercury News*)

Carolyn Margaret Nickey, 63, died on May 6, 2009. She started a 31 year career at Hewlett Packard Company in 1971 in Palo Alto and worked at several HP divisions in the Bay Area. In 1982 Carolyn transferred to HP's Roseville campus where she was a Supply Chain Specialist until her retirement in 2002. She is survived by her mother, Margaret Mattson of Modesto, her husband Michael Nickey of Auburn, son Jeffery Williams of Newport Beach, stepdaughter Christine Nickey-Taupier of Campbell, stepson Michael Nickey of Sunnyvale, son Joey Picone of San Jose, three grandchildren, and numerous aunts, uncles, and cousins in the Bay Area. (*Mercury News*)

Eleanor Ann (Mauch) Kohn, 87, passed away on May 4, 2009. She worked as an assembler at HP in Palo Alto for 25 years. She is survived by her lifelong friend and five year companion, Andy Anderson. She is also survived by her children, Donna and Steven, five grandchildren, five great grandchildren as well as sisters, brothers, nieces and nephews. (*Mercury News*)

Pat Becker, 87, passed away on May 13, 2009. Pat was a facility air conditioning journeyman in Stanford Park where he worked for Don Basist. Then Pat transferred to the Cupertino plant where he worked for Jon Jensen. Survivors include daughter Patty Heintz, son Michael Becker, son-in-law Mike Heintz, daughter-in-law Susie Becker and five grandsons, Adam, Patrick and Eric Heintz and

Zane and Ford Becker. *(Submitted by Paul Farina and Mercury News)*

Hans Olaf Sorensen, 80, died on May 14, 2009. He worked 41 years as an optoelectronics and fiber optics applications engineer for HP. He was fondly nicknamed "the Father of Light" at HP for his pioneering work in the development and application of the LED, or light-emitting diode. Hans is survived by his wife Gretchen K. Sorensen of Palo Alto, and children Lise Sorensen Brunhart of Salt Lake City, Utah, Kristin Sorensen Gerhart of Billings, Montana, Peter Sorensen most recently of Sliema, Malta, and Amalie Sorensen of Chico, California, and two granddaughters, Alexandra and Ava, also from Chico, siblings Doris Henriksen of Luck, Wisconsin, Marie Rasmussen of Roseburg, Oregon, Erling Sorensen of Seabrook, Texas, and Paul Sorensen of DeKalb, Illinois. *(Mercury News)*

David M. Swartz, 84, passed away on May 20. Dave was with HP for 36 years, many of them in the HP Standards Lab. His wife Elaine died in 1992, and he is survived by his sons Steve Swartz of Grass Valley and Stuart Swartz of Mountain View. *(Submitted by Bill Heinz)*

Arturo L. Sias, 86, passed away peacefully on May 21, 2009. He was a veteran of 30 years with HP. He is survived by his daughters, Virginia, Sandra, Veronica and his only son Art Jr. as well as seven grandchildren, one great granddaughter and his sister Josephine. *(Mercury News)*

Sheila Lou Kingston, 71, passed away on May 31, 2009. She leaves behind her daughter Andrea; her mother Clara; and her brothers Jay, Rick, and Bob. Born in Gatesville, Texas, Sheila moved to Palo Alto in her early teens and was an integral part of the community. She met and married the love of her life, Robert William Kingston, while working at HP in the early 1960s. *(Mercury News)*

Mary Vernon Blythe Vitakis Danehower, 69, passed away on May 20, 2009. In 1981, she joined HP in Palo Alto as a writer and editor of four newsletters for its Corporate Offices' employees. While at HP, she also did product public relations and orchestrated press conferences in most of the major cities in the eastern U.S. She is survived by three children: Maria Vitakis of Marina Del Mar,

CA, Sophia Vitakis of Mountain View, Alexander Vitakis of Los Altos, and five grandchildren. *(Mercury News)*

Anne Marie Kennelly, 60, died on June 8, 2009. She was the first woman lawyer hired by HP where she spent 37 years as Corporate Counsel, up to a few months before her death. She handled corporate credit structuring and collection and had extensive international legal experience. Anne is survived by her husband, Dennis; and daughters, Margaret and Ted Hazelrig of San Francisco and Maureen Kennelly of San Francisco. She is survived by her mother, Margaret Gilles of Palo Alto; sister, Paula and Tom Maurano of Menlo Park; brother, Mark and Mary Gilles of Menlo Park; sister, Teresa O'Rourke of San Ramon and sister Kathleen Gilles of Menlo Park; her nieces and nephews, Matthew, Stephen and Megan Maurano; Paul and Francesca Gilles; Todd Yuhanick and Lydia (Yuhanick) Travelsted, as well as her sister-in-law Kathleen Yuhanick. *(Mercury News)*

Edwin Leonard Carlson, 93, passed away on June 9, 2009. After serving in WWII and working in the Midwest for Shell Oil and the IRS, he retired at the age of 65 and moved to California to be close to his grandsons. Always a little restless, Ed could not resist finding jobs at various Silicon Valley firms including Equatorial, HP, Sun, Avis and more. Ed is survived by his sister, Florence Schmidt of St. Paul, Minnesota, his son, Jim Carlson and wife Anne of San Jose; grandson, Jeremy Carlson and his wife Carla, and great-granddaughter, Grace Carlson. *(Mercury News)*

HPREC Bylaws

Updated and Revised

by Pat Capshaw

In November 2008, the HPREC Board of Directors approved a thorough review of the club's Bylaws and appointed a committee to conduct the review. The committee consisted of Marcia Adams, Martha Maris, Carol Nakamoto, and Pat Capshaw, who chaired the committee.

HPREC Bylaws were originally written in 1988, with minor amendments made in 1989, 2000, and 2004.

The goal of the Bylaws Review Committee was to ensure that the Bylaws represent the reality of how HPREC operates today and fulfill legal requirements. The Committee also wanted to make the document more "user friendly" so it would be a more useful tool in helping the HPREC Board of Directors govern in the most efficient way. This required addressing issues such as the term of the President and Vice President, the need to make sure meetings meet quorum requirements, clarifying the purpose of the organization and the roles of Board members, associates, officers, and past presidents.

In April the Bylaws Review Committee distributed a copy of the revised Bylaws to each Board member, along with a summary of the changes. The Board was asked to review the changes and give feedback to the committee.

At the May meeting the Board voted to approve the recommended revisions as submitted. However, there is one amendment that requires membership approval. The committee is recommending that the number of Directors be changed from a fixed number of 20 to a range of no fewer than

15 and no more than 19 Board members. This number covers the four principal Officers, and "up to" 15 elected Directors, which gives flexibility if the Nominating Committee is unable to fill a position during the annual nominating process.

You will be asked to vote on this amendment to the Bylaws in the ballot for the upcoming Board of Directors election, which you will be receiving in September.

The Bylaws Committee extends its thanks to Don Higgins and Stan McCarthy for their early work on getting this project started. We also owe a debt of gratitude to former HPREC Board Member Susan Carnahan for her input and legal assistance in researching the California Non-profit Code pertaining to HPREC to ensure that we're in compliance.

As always, any club member may request a copy of the Bylaws...as a source of useful information and possibly as a good tool to help you fall asleep at night!

	John McCabe	hole #16

Entry forms for Santa Clara (August 6) and Spring Valley (September 3) are in this newsletter, so don't hesitate to sign-up now and invite a guest if you'd like to have a friend play along with you. The last tournament of the season will be at Los Lagos on October 1. So, don't miss out on great golf, a fun outing, and a chance at the coveted prizes.

Bowling for fun! by Carol Nakamoto

The next few bowling events are **August 10, September 14 and October 12 at Palo Alto Bowl from 3:00-4:30**. It's always the 2nd Monday of each month. Price is \$5.00 per person for 2 games (includes shoe rental). If interested; contact Carol Nakamoto at carol_nakamoto@hotmail.com or (650) 941-3678. All skill levels welcome.

August/September Hiking Schedule by Jim Holl

Date: Tuesday, August 11
Rainout Date: Tuesday, August 18
Hike Leader: Ed White (650) 964-1532

Hike Location: Portola Redwoods State Park, at the park headquarters building. Take Page Mill Road past Skyline Boulevard, where it becomes Alpine Road. Turn left onto Portola State Park Road and go past the entry kiosk to the park office. Pay parking fee (\$6 per car) and move cars to the trailhead. This is one of the best redwood parks in the state system.

Meet at: The Page Mill Road Park & Ride, at 10:00 a.m. to carpool. Bring water, lunch and \$3 each to reimburse carpool drivers.

Date: Tuesday, September 8
Rain out date: Tuesday, September 15
Hike Leader: Gary Ruppel (650) 494-0530

Hike Location: Sam McDonald County Park, part of the San Mateo County Park system. Our hike will be about 5 miles in length with about 900 feet elevation gain.

To get there from Interstate 280, exit Woodside Road/CA 84 (exit #25). Drive west on CA 84 (bear right onto La Honda Road at the junction with Portola Road) about 6 miles, to the junction with CA 35 (Skyline Boulevard). Continue straight on La Honda Road /84, about 6.5 miles, to the easy-to-miss junction with Pescadero Road. Turn left. Drive about 1 mile south on Pescadero Road, and bear right at the junction with Alpine Road. Continue about .5 miles on Pescadero Road, to the park entrance on the right. (Drive slowly, as the entrance is undersigned).

Meet at: The 280 & Page Mill Road Park-&-Ride, at 10:00 a.m. to carpool. Bring \$3 each to reimburse carpool drivers along with water and lunch. There could be an extra charge per car for day use so bring a little extra cash.

HP/Agilent Retirees Volunteers Help at the Marine Science Institute

by John McCabe

Marine Science Institute in Redwood City has been putting Bay Area students in direct physical contact with their local bay environment since 1970. The Institute cultivates the students' natural curiosity while enriching their understanding of science and fostering a responsibility to protect their environment. Over the years, over 500,000 students have taken trips on the Marine Science Institute's research ship and otherwise learned about the San Francisco Bay and the Pacific Coast environments.

Pat Castro (on the right) points out sea stars to Rose Mary Brodbeck (on the left) and Marialis Seehorn (in the center) while Connie D'Andrea (in background) looks on.

Once back in the classroom, the students write wonderful thank you notes, poems, and pictures depicting what they learned. The HP/Agilent retirees pictured at the end of this article had fun experiencing Marine Science Institute's facilities and helping to judge poetry and drawings done by this year's students. We were very impressed with the quality and originality of the students' work, particularly those by elementary school students.

Volunteer Opportunities at Sacred Heart by Pat Castro

Richard (Dick) Stevens, HP retiree, is active in the Sacred Heart Community Service (SHCS) organization. Dick works with underserved people in the community by volunteering one day a week in their Job Link area. He helps clients by searching the web for possible job opportunities, writing resumes and practicing interview techniques. Dick, like their other volunteers, stays in touch with his clients once they have a job to encourage them and help with any concerns the client may have. Dick says that volunteers with Microsoft application and internet computer skills are really needed. He has been working for about a year and finds the work very rewarding.

SHCS is located at 1381 S. First Street, San Jose, the corner of Alma and First Street. SHCS is a non-denominational 501(c)(3) non-profit organization. All services are free to their customers.

Volunteers are needed in three key areas. Besides the Job Link area, the Food Pantry packs and distributes food to its customers. Dick says this area needs extra help around Thanksgiving and Christmas.

The third area is the Clothes Closet, where clients can select clothes for themselves and their family. Volunteers sort and hang donated clothes for men, women and children.

Interested? Hours are 9:00-4:00, Monday-Thursday, 9:00-5:00 on Friday and 9:00-12:00 on Saturday. Their web site is www.sacredheartcs.org and their phone number is **(408) 278-2171**. They welcome all volunteers, but especially appreciate "permanent" volunteers by committing to a 2 or 4 hour (or more) window of time on one or more days.

HPARV Done-in-a-Day Volunteer Project RAFT Science Kits

RAFT, Resource Area for Teaching, is a non-profit organization that believes hands-on teaching is the best way for teachers to teach and students to learn. They provide creative hands-on activities, educational resources, workshops and inexpensive materials (Hewlett Packard contributed the most materials – 840 pallets in all) to enrich pre K-12 education and community group programs. Their goal is to assist teachers, non-profits and community groups by providing materials and ideas for day-to-day teaching and for supporting professional growth. Volunteering at RAFT is always fun! And you get to make great things that will enrich the lives of students.

HPARV Done-in-a-Day Volunteer Project Back-to-School Backpacks

You can bring a smile to thousands of children right in our own community by joining your fellow HP/Agilent Retiree Volunteers in a special project sponsored by the Family Giving Tree.

We'll be filling backpacks or sorting backpacks already filled with school supplies by grade level. These will go to local low-income children to help them get ready for school with the tools they need to succeed. Supplies have been collected by various Bay Area companies (**including HP and Agilent**) and organizations and will be distributed by social service agencies and schools. Overall, the sponsoring organizations hope to provide 15,000 children with much needed school supplies to help them start the year with confidence.

This is always a fun project, so please join us!

Date: Thursday, August 13, 2009
Time: 10:00 a.m. to 12:00 noon

How to Sign Up for HPREC Bus and Drive-Yourself Trips

The Travel Committee enjoys it when our club members and their guests participate in our planned activities. We are offering a few tips that we would like your cooperation on in reducing some of the extra administrative work done by our volunteers. When you see a trip in which you would like to participate, please follow these guidelines:

COMPLETING TRIP FLYERS

1> On the actual trip flyer, please make sure you PRINT all information, so that we can clearly read your input.

Example of form on which to PRINT:

PLEASE PRINT NAMES:

Member Name _____ Phone _____

Spouse/Guest Name _____ Phone _____
(Please CIRCLE spouse or guest -- is this person a member...YES...NO)

Emergency Contact _____ Phone _____
Member

Emergency Contact _____ Phone _____
Guest

REMIT TO: HPREC, P.O. Box 86, Mtn. View, CA 94042-0086

E-MAIL ADDRESS FOR TRIP CONFIRMATION

(PLEASE PRINT)

2> If possible, use a printed address label for identifying your name and address. Please make sure we have complete first names, not just initials or "Mr. and Mrs. Jones". Additionally, please indicate by circling if the second listed person is a "spouse" or "guest", and whether that person is also a member.

3> Please read the trip flyer carefully so that you provide all the requirements necessary to participate. If a stamped, self-addressed envelope is required so that we can mail you tickets or maps, please make sure you include that with your reservation.

4> For ease in keeping track of payments for trips, please write ONE check for EACH event you wish to attend. (*Sometimes different volunteers handle the registration for different trips, and bank deposits are done at different times.*) You can mail several reservations slips and adjoining checks in one envelope, but just make sure you have one check per event. PLEASE DO NOT STAPLE CHECKS TO REGISTRATION FORMS.

5> We are trying to eliminate phone calling for confirmation purposes. Therefore, please PRINT clearly your e-mail address. If you do not have e-mail, we will make an exception and call, but we prefer to use e-mail for confirmation and sending directions.

THINGS TO KNOW ABOUT HOW WE HANDLE RESERVATIONS

1> Attendee lists are created by the date of postmark on your envelope. If a Wait List is necessary, we use the same process to identify the order on that list. Your postmark is noted on each reservation form if several checks are received at one time.

2> If you are put on a Wait List, the first name(s) on that list will be contacted should an opening become available. If we cannot get in touch with that person, we will leave a message, then go to the next name on the list.

3> There may be events in which we cannot accept any cancellations, as we have already paid for buses, meals, tours, etc. Please read your confirmation messages carefully, as they will indicate when we cannot refund your money. We make every effort to find "replacements" for you should you cancel. If we do find a replacement, we will refund your money. If we do not have a Wait List from which to work, a refund will become almost impossible, especially as we get inside the seven day window of the scheduled event.

4> Please note the following policies in regards to inviting guests:

- Each paid HPREC member is allowed one (1) guest per trip. If spaces are available after the initial listing, we may be able to accommodate other guests.
- For all bus trips, each guest must sign a "waiver", called a Non-Responsibility Declaration, prior to boarding the HPREC chartered bus. This is a legal and liability insurance requirement for all participants. Members have already signed this when they joined the club.
- All guests must conform to the rules and standards of HPREC. Trip leaders will always inform you of any specific regulations we must follow during the event.

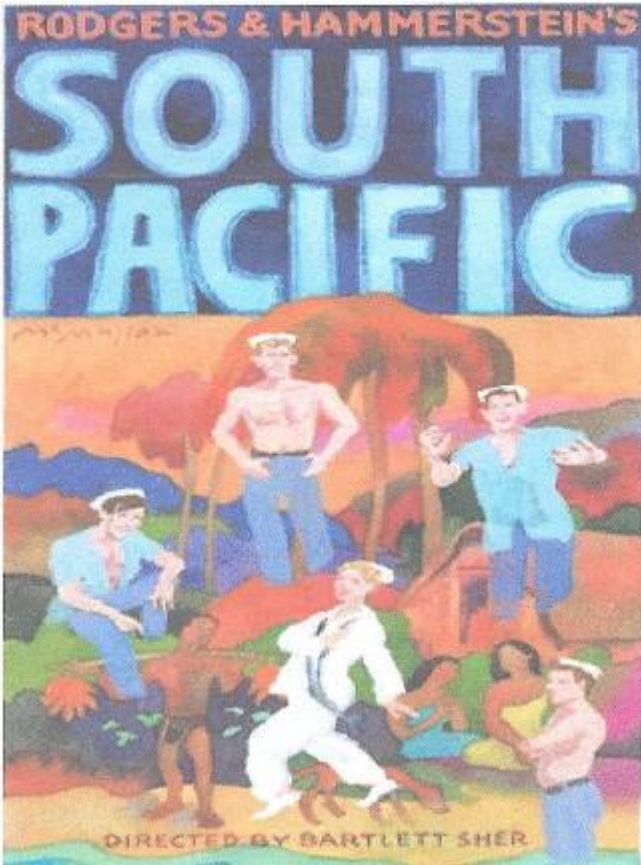

If you go on trips, you may want to make a copy of these tips for future reference. Thank you for taking the time to read and understand how your club manages the trip process. Remember, your trips are planned by volunteers. What you do to assist us helps us reach our goal, to be safe and HAVE FUN!
